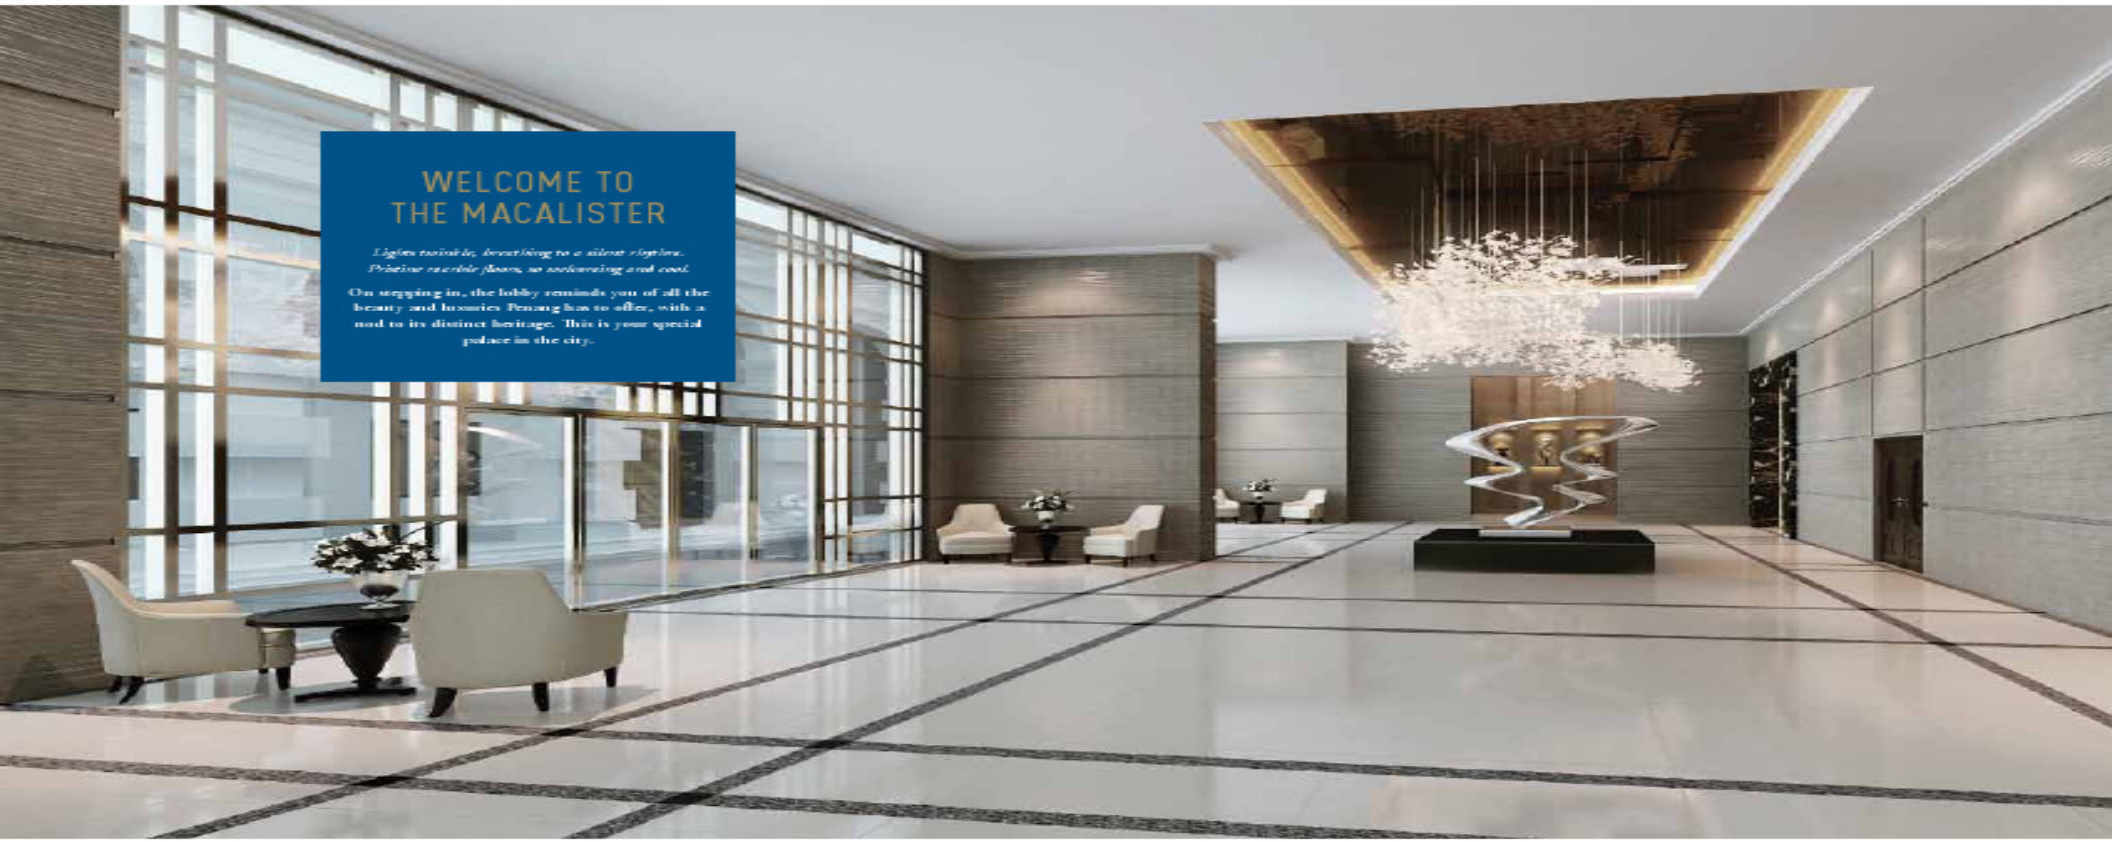
33 ULTRA-LUXURIOUS APARTMENTS AT THE NEXUS OF HISTORY AND MODERNITY

The old-world romance of Penang gracefully welcomes The Macalister — a gleaming, iconic tower with sculptural soaring 'wings' to embrace the sky at its peak, designed by eminent Malaysian architect Hijjas Kasturi.

Comprising just 33 ultra-exclusive duplex apartments, only 33 discerning residents will own these legendary vistas of Penang.

History is not forgotten either, as the tower connects to a heritage mansion meticulously restored to its full lustre for the lounging pleasure of The Macalister residents.



WELCOME TO THE MACALISTER

Lights twinkle, deserting to a silent night sky.
Pristine marble floors, so welcoming and cool.

On stepping in, the lobby reminds you of all the beauty and luxuries Penang has to offer, with a nod to its distinct heritage. This is your special palace in the city.

FULLY FURNISHED WITH CUSTOM INTERIORS BY AEDAS

International design experts Aedas Interiors have custom created a bouquet of interior palettes for your choosing.

THE HERITAGE PALETTE

Light and airy, this interior scheme makes use of vintage style and timeless classics, resulting in an elegant yet comfortable home.

THE MODERN PALETTE

Eschewing the obvious, this palette ventures into the realm of geometry and is for the person who loves balance. Shapes and forms intrigue the senses and energise the spaces, in a home that inspires.

THE ARTISAN PALETTE

Aedas have created exquisite handcrafted interiors showcasing refined silhouettes, elegant detailing and a richly textured yet restrained material palette for true bespoke elegance.

OLD WORLD CHARM MEETS MODERN SOCIETY

Situated at the base of The Macalister residence tower, the Macalister Court is a historical mansion immaculately restored for your exclusive use. A classic black and white palette creates a glamorous private lounge that is evocative of culture and grace – a place for private banquets and parties, or for a simple afternoon tea.

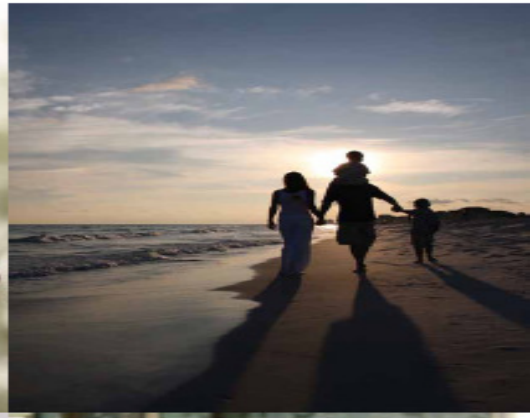
A CITY, AN ISLAND, THE MOUNTAINS, THE SEA – PENANG HAS IT ALL

Ranked 8th Most Livable City in Asia by EC A International (2010) and amongst the Top Ten Best Islands in the World according to Yahoo! Travel (Feb 2011), Penang is a sophisticated and urbanised state that links to over 200 ports worldwide. Yet it is steeped in history and heritage – Georgetown, the capital city, has been declared a UNESCO World Heritage Site. It is one of the most socially progressive and economically-important states in Malaysia, and Penang enjoys the highest GDP growth in the country. All the amenities of a world-class city are literally at your doorstep, including education, medical and entertainment, and food experiences locals and travelers rave about.



Penang is just a short flight away from Asia's key financial capitals.

With a UNESCO World Heritage City at your doorstep.

A CITY TO DISCOVER, AND A WHOLE ISLAND TO EXPLORE

Penang is composed of a diverse cultural mix where English and Chinese languages are widely spoken. Besides language, you will find cuisine and culture ranging from the Oriental to British, that truly enrich the daily experience here.
