

*To whom it may concern*

*I had the need to find a rental property on my return from an overseas assignment. I was connected to Premier Realty (lead by Jimmy Ng), through a previous real estate agent.*

*From day one, Jimmy took the time to deeply understand my needs, and armed with this provided quickly a list of properties for review. The whole process was pleasant with Jimmy shuttling my wife and myself around for viewings, and ended with us finding the perfect place.*

*The whole process was efficient and the negotiations Jimmy made on my behalf we totally in line with my expectations and in some areas, were over and above expectation.*

*Jimmy has a vast amount of experience, is well connected within the Singapore real estate market, where this helps him and his team to deliver exceptional results and hence high level of customer satisfaction*

*I have no hesitation providing this reference and would be available to discuss with any potential customers*

*Thanks again to Jimmy and his team*

*Regards*
